## Pony Pony Run Run

I just wanted to know  
What I feel, feel inside  
I just wanted to know  
What I feel inside

(inside)  
Inside

I just wanted to stay  
Where I live, live all these days  
I just wanted to stay  
Where I live inside

(inside)  
Inside

I don't wanted to go

I just wanted to know  
What I feel, feel

(inside)
