

In The Big House

Pop Evil

(All rise for Michigan!)
Wolverines!
(All rise for Michigan!)

We are the blue regime: ferocious, lean, and mean!
We're gonna reign supreme! We are the Wolverines!
You won't forget our name! We'll bring the hurt and pain!
We're gonna change the game! We are the Wolverines!

In the Big House, we'll put your lights out!
Come on and shout out, "The Wolverines are comin'!"
In the Big House, we're gonna get loud!
We ain't got no doubt! The Wolverines are comin'!

Hail, hail to Michigan! Hail to the Wolverines!
Hail to the victors! Believers! Tradition!
Hail, hail to Michigan! Hail to the Maize Rage!
Hail to the blue, the tried, and the true!

We're gonna show our teeth! We're gonna stomp our feet!
We'll bring you to your knees! We are the Wolverines!
We're gonna get real loud! We're gonna feel the crowd!
We do Ann Arbor proud! We are the Wolverines!

In the Big House, we'll put your lights out!
Come on and shout out, "The Wolverines are comin'!"
In the Big House, we're gonna get loud!
We ain't got no doubt! The Wolverines are comin'!

Hail, hail to Michigan! Hail to the Wolverines!
Hail to the victors! Believers! Tradition!
Hail, hail to Michigan! Hail to the Maize Rage!
Hail to the blue, the tried, and the true!

(All rise for Michigan!)
