

# Monster You Made

Pop Evil

Take a good look at me now  
Do you still recognize me  
Am I so different inside  
This world is trying to change me  
And I admit I don't want to change with it  
And I admit I can't go on like this anymore

Erase this monster I've become  
Forgive me for all the damage done  
It's not over  
Say it's not over  
I'm begging for mercy  
I'm only the monster you made me

I'm better alone now  
See I'm torn from my mistakes  
And I stop believing that I could ever make things change  
How much can I take  
When I know that it hurts you  
How long can I wait  
When I can't go on like this anymore

Erase this monster I've become  
Forgive me for all the damage done  
It's not over  
Say it's not over  
I'm begging for mercy  
I'm only the monster you made me

Because who I am  
Isn't who I used to be  
And I'm not invincible  
I'm not indestructible  
I'm only human  
Can't you see  
The beauty in me

Take a good look at me now  
Can't you see I've changed

Erase this monster I've become  
Forgive me for all the damage done  
It's not over  
Say it's not over  
I'm begging for mercy  
I'm only the monster you made me

Far away through the pain  
I hear the angels calling  
Far away through the pain  
I see my demons falling

Far away through the pain  
I hear the angels calling  
Far away through the pain  
I see my demons falling

Erase this  
Erase this  
Erase this monster you made me
