

## Sugar Assault Me Now

Pop Levi

Something's been on my mind  
I been the hurting kind  
So sugar assault me now

Taken me oh so long  
But darling I been so wrong  
So sugar assault me now  
Sugar assault me now

You're freighting me like a train  
Laden with sugar cane  
Sugar assault me now

Honey it's all too much  
Kicking me into touch  
Sugar assault me now  
Sugar assault me now

Ooh, something's on me right  
Something's on me right now  
Ooh, something's on me now  
Something's on me right now

Something's been on my mind  
I been the hurting kind  
So sugar assault me now

It's taken me oh so long  
But darling I been so wrong  
So sugar assault me now  
Sugar assault me now  
Sugar assault me now

Shake me
