I'm the boy without a soul, No hot love, no worldly goal, Injec t me, inject me Cut the lights, and shut the doors Use, abuse, take me I'm yours, Inject me, inject me... I can see a blur but I just can't feel my way, Sometimes I feel I'm just not real, My head's in disarray, I've no ambition and no direction Can't face today, today; My mind's distracted by the light refracted. .. I drift offworld to avoid detection, Disengaged, A.W.O.L., i nactive, I'm the boy without a soul, No hot love, no worldly go al, Inject me, inject me... Got to fix this empty head 'cause 1 ife's a bitch and then you're dead, Inject me, inject me... Obs cene white light, too bright, too frightening, My friend, my be d's inviting, Time's elastic and passions are plastic In the la nd of quicksand: the psyche fantastic I'm on top of the world, can you see that far? Ha! Ha! Look at me Ma! I can fly as high as the sky, I am sci-fi! You care to say, "Hi!"...I say bye-bye My positronic ray will blast the day away So be warned! I'm su rfin' the dead zone, And keep you all at bay. In the twilight, unknown, Singin' my own imaginary songs to hum alng to. A sex g oddess, all mine, to belong to... You can play it for her, you can play it for me, I'm the boy without a soul, A dream melody to resurrect me... Inject me, inject me... No hot love, no worl dly goal, Cut the lights, and shut the doors, Use, abuse, take me I'm yours, Inject me, inject me...
