Pop Will Eat Itself

(No relation) Get Up, Get Out! (3x)
Go! Go! Go! Go!
(No relation) Get Up, Get Out! (3x)
Are you in or out, or in or out?

That way someday you may want to go
Fools pray that way, you can lay low
Easy cop out, stay in and take-out
You'll get snowed in, I got no time

Big G, Little G, he don't wanna go
Out that way - a lame and tame show
If G Squad want me, they're going to have to say so
You may want me, but I don't want know

R.S.V.P! (2x)

Are you in or out, or in or out?

Say G, you've been acting like a brother (like a brother)
No way, man, you ain't nothing but a 'mutha
Huh! Another 'nother 'mutha

The shine of your shoes ain't nothing new
But if you lose the clues then I guess you're through
Cut down like a vegetable
By a hard kickin' mutha who's an animal

(No relation) Get Up, Get Out! (3x)
Are you in or out, or in or out?

Big G's happy, took another bite
Little G's angry, spoiling for a fight
His roots got ripped out, Little G flipped out
Shaking like a shitting dog, he couldn't work it out

Little G, Big G, R.S.V.P, I'm throwing at your window
Can you see me, hear me?
G's Squad want me, they're going to have to say so
You want me, but I don't want know

You can be what you wanted to be. (6x)
