

Stoop Down Baby

Popa Chubby

Stoop down baby
lay your love down low
I said stoop down baby
lay your love down low
got no need for talkin no how
ain't nowhere to go

Stoop down baby
got to give your love to me (give it to me)
Stoop down baby
give your love to me
when you walk that way
it's clear to say
you make me happy as can be

Stoop down baby
we got to lay it on the line
I said stoop down baby
we got to lay it on the line
cause I'm evil for your lovin'
and I love your fat behind

yeah yeah
I said baby...
