

The Preyingmantis

Porcelain and The Tramps

I remember when
You told me I'm driving you crazy, crazy
I remember when
You used to call me your baby, baby

And I don't think I am who you want me to be
I'm sorry it took you this long just to see
That I'm rolling and rolling around in my mind

I hung you on a limb
Made you bend over
Backwards on a sin
Quit crying on my shoulder
There's nothing left to say
We're beautiful garbage
Throw it all away
Wash you off in the shower

Actions speak louder than words
So don't tell me that you love me now, love me now
Im gagging myself
I'm brushing out the foul taste you left in my mouth
You left in my mouth

And I don't think I am who you want me to be
I'm sorry it took you this long just to see
That I'm rolling and rolling around in my mind

I hung you on a limb
Made you bend over
Backwards on a sin
Quit crying on my shoulder
There's nothing left to say
We're beautiful garbage
Throw it all away
Wash you off in the shower

I hung you on a limb
Made you bend over
Backwards on a sin
Quit crying on my shoulder
There's nothing left to say
We're beautiful garbage
Throw it all away
Wash you off in the shower
Throw it all away
Wash you off in the shower

I'm gagging myself
I'm brushing out the foul taste you left in my mouth
