

Pretty Little Psycho

Porcelain Black

Oh, oh, oh
Oh, here we go
Walkin', talkin' like you know
I want your pretty little psycho

(Pretty little psycho)

I'm ready to go, I'm taking chances
Sippin' less from champagne glasses
Gotta have you, I'm movin' closer
I won't take no for an answer

You're lookin' crazy, you're lookin' wrong
It looks like we're gonna get along
And once I've got you, it's a fact
Baby, there's no turning back

Make me, make me impressed
Make me, make me obsessed

Oh, oh, oh
Oh, here we go
Walkin', talkin' like you know
I want your pretty little psycho
Oh, oh, oh
Oh, here we go
Baby strike a pose
I want your pretty little psycho

Pretty little, pretty little, pretty little psycho
Pretty little, pretty little
Pretty little psycho
Pretty little, pretty little, pretty little psycho
Pretty little, pretty little
Pretty little psycho

Black lipstick just like a cat
Have you purrin' on your back
Tip the glass, now light it up
Rebel, rebel can't get enough

You're lookin' crazy, you're lookin' wrong
We look like we belong
And once I've got you, it's a fact
Baby, there's no turning back

Make me, make me impressed
Make me, make me obsessed

Oh, oh, oh
Oh, here we go
Walkin', talkin' like you know
I want your pretty little psycho
Oh, oh, oh
Oh, here we go
Baby strike a pose
I want your pretty little psycho

Pretty little, pretty little, pretty little psycho
Pretty little, pretty little
Pretty little psycho
Pretty little, pretty little, pretty little psycho
Pretty little, pretty little
Pretty little psycho

There's somethin' about you driving me mad
There's somethin' about you I've got to have
There's somethin' about you
There's somethin' about you
(2x)

Oh, oh, oh
Oh, here we go
Walkin', talkin' like you know
I want your pretty little psycho
Oh, oh, oh
Oh, here we go
Baby strike a pose
I want your pretty little psycho
(2x)

Pretty little, pretty little, pretty little psycho
Pretty little, pretty little
Pretty little psycho
Pretty little, pretty little, pretty little psycho
Pretty little, pretty little
Pretty little psycho
