## In Formaldehyde

## **Porcupine Tree**

Dust in the kitchen Coffeepot Microdots

Now we are coasting Talking less Breathing stress

Somewhere inside
I have died
So I will lie
In formaldehyde
People walk
Through my insides

When I get out of here
I get a plastic vase
And you get to keep the car

Or do you want me to stay?
The things that I have to say
You've heard it all anyway

Send me to sleep You always could Fatherhood

Tie up loose ends Make it stop Forget me not

And would you really mind

If I told you a millionth time

The story of my decline ?

You never seem to take The time to contemplate Before you annihilate
