

## Russia On Ice

## Porcupine Tree

You think I deserve this  
You said I was stupid  
All my thoughts are like coal  
But Russia on ice is burning a hole

Can't stop myself drinking  
Can't stop being me  
If I call will you come and will you save me?

I see the whole thing come down  
I blow it to the ground  
Well what the hell did you say?  
You said you hate me this way  
It's just a matter of time

A drop in the ocean  
A significant motion  
Nothing melts in this cold  
But Russia on ice is burning a hole
