## **Slave Called Shiver**

## **Porcupine Tree**

I need you more than you can know
And if I hurt myself it's just for show
I found a better way to curb the pain
You put a trigger here inside my brain

Mother I need her
I'm falling apart
Mother I need her
And it's only the start

I may be nothing now but I will rise I'll have more followers than jesus christ

Through all the smashing things and crashing cars I love the ground you walk with all my heart
