

Ain't been twelve a couple of hours  
I'm on the freeway  
Rain's so hard the sky's one color  
The wettest coldest grey  
Then she takes a look at me  
I tell her it's O.K.  
Driving around with her  
She's taking trips on me  
I'm taking trips on her

Left the sunset back in Venice  
I was on the freeway  
Say you love me or I'll kill us!  
But you won't say it  
Reach across the seat  
And push the bucket back all the way  
Driving around with her  
She's taking trips on me  
I'm taking trips on her  
I fell in love with her  
I just don't mention it  
To fall in love this much  
It's very dangerous  
She makes me so jealous  
I want to kill us both...
