

I like to watch her sway  
She's luck before I'm going away  
I wonder what she thinks about herself  
She is mine and no one else's

She turns the knife around (she turns the knife around)  
I watch her run it down her side (I watch her run it down her side)  
Kisses my fingers when I go by (Kisses my fingers when I go by)  
(See my mother in her eyes) See my mother in her eyes

I like to watch her sway (I like to watch her sway)  
She's luck before I'm going away (She's luck before I'm going away)  
I like what she sees in herself  
Gives me all of her confidence
