## Porno For Pyros

Where you going meija?

Yeah, you got your money  
In your hand  
And you mind  
Already out of the door  
Didn't get her started  
There ain't no stopping her  
You gotta  
Wait till she runs  
Out of money  
Or maybe get to sleep  
She knows everybody  
Go!

Baby took the car  
Out for a drive  
Didn't come back  
For nearly two days  
Where's she been?  
Why'd she go?  
Why's she back now?  
We all know!  
We know why!  
We know why!  
She's back again  
We know  
Where's she goin'  
Someplace better than here...

Everybody count your money!  
Everybody count your money!  
Everybody, yeah you better count your money!

Where you going meija?

Out for a drive  
Didn't come back
