

# Lionhearted

Porter Robinson

Flipping up the light trying to survive this endless fire  
If you shoot them down, we can make it right, we'll make it right

And they light the sky as they multiply, they multiply  
No matter what they try, they won't take away our will to fight  
If you shoot them down, we can make it right, we'll make it right

We broke the walls we guarded  
For we don't care about it  
We'll finish what we started  
So promise me that  
We'll be the lionhearted  
For we don't care about it  
We'll finish what we started  
So promise me that they'll fall  
So promise me that

No matter what they try, they won't take away our will to fight  
If the ship went down, we can make it right, we'll make it right  
And up against all odds, take a thousand lives, a thousand lights  
So if you shoot them down, we can make it right, we'll make it right

We broke the walls we guarded  
For we don't care about it  
We'll finish what we started  
So promise me that  
We'll be the lionhearted  
For we don't care about it  
We'll finish what we started  
So promise me that they'll fall  
So promise me that
