

The Seconds

Porter Robinson

I'm all alone
I'm counting down
You're everywhere but no where
I'm all alone in my shell
You're slipping away

Counting down
I'm counting down the seconds
Counting down till we meet again

Counting down
I'm counting down the seconds
Counting down till we meet again

I'm all alone
I'm counting down

I'm all alone
I'm counting down

Counting down
I'm counting down the seconds
Counting till we meet again
