

## It Could Be Sweet

Portishead

I don't want to hurt you  
For no reason have I but fear  
And I ain't guilty of the crimes you accuse me of  
But I'm guilty of fear

I'm sorry to remind  
You but I'm scared of what we're creating  
This life ain't fair  
You don't get something for nothing, turn now  
Mmmm gotta try a little harder

It could be sweet  
Like a long forgotten dream  
And we don't need them to cast the fate we have  
Love don't always shine thru

Cos I don't wanna lose  
What we had last time your leaving this life ain't fair  
You don't get something for nothing, turn now  
Mmmm gotta try a little harder

It could be sweet.....

But the thoughts we try to deny  
Take a toll upon our lives  
We struggle on in depths of pride  
Tangled up in single minds

Cos I don't wanna lose  
What we had last time your leaving this life ain't fair  
You don't get something for nothing, turn back  
Mmmm gotta try a little harder

Cos I don't wanna lose  
What we had last time your leaving this life ain't fair  
You don't get something for nothing, turn back  
Mmmm gotta try a little harder

It could be sweet
