I don't want to hurt you

For no reason have I but fear

And I ain't guilty of the crimes you accuse me of

But I'm guilty of fear

I'm sorry to remind
You but I'm scared of what we're creating
This life ain't fair
You don't get something for nothing, turn now
Mmmmm gotta try a little harder

It could be sweet
Like a long forgotten dream
And we don't need them to cast the fate we have
Love don't always shine thru

Cos I don't wanna lose What we had last time your leaving this life ain't fair You don't get something for nothing, turn now Mmmm gotta try a little harder

It could be sweet.....

But the thoughts we try to deny Take a toll upon our lives We struggle on in depths of pride Tangled up in single minds

Cos I don't wanna lose
What we had last time your leaving this life ain't fair
You don't get something for nothing, turn back
Mmmmm gotta try a little harder

Cos I don't wanna lose What we had last time your leaving this life ain't fair You don't get something for nothing, turn back Mmmm gotta try a little harder

It could be sweet
