

# Mourning Air

Portishead

Did I see a moment with you  
In a half lit world  
I'm frightened to believe  
But I must try  
If I stumble if I fall  
I'm reaching out in this mourning air, ohh

Have I got the strength to ask  
Beyond the window  
I feel this fear alone  
Until we have  
Total honesty  
If I tremble or fall  
I'm reaching out in this mourning air, ohh

Should I feel a moment with you  
To softly whisper  
I crave nothing else so much  
Longing to reveal  
Total honesty  
I can feel your touch  
I'm reaching out in this mourning air, ohh

I'm reaching out in this mourning air, ohh.
