## **Wandering Star**

Portishead

Please could you stay awhile to share my grief For its such a lovely day To have to always feel this way And the time that I will suffer less Is when I never have to wake

Wandering stars, for whom it is reserved The blackness of darkness forever Wandering stars, for whom it is reserved The blackness of darkness forever

... Those who have seen the needles eye, now tread Like a husk, from which all that was, now has fled And the masks, that the monsters wear To feed, upon their prey

Wandering stars, for whom it is reserved The blackness of darkness forever Wandering stars, for whom it is reserved The blackness of darkness forever

(always) doubled up inside Take awhile to shed my grief (always) doubled up inside Taunted, cruel....

Wandering stars, for whom it is reserved The blackness of darkness forever Wandering stars, for whom it is reserved The blackness of darkness forever
