

Easy Tiger

Portugal. The Man

Good kid, bad brains
Livin' for whatever
Tight rope, no chains
Holdin' it together

But it's hard to see clouds
When you're 6 feet underground
Keep building a house
Then tearing it down

And it goes on

Don't call collect
Can't break it open
Easy Tiger
You're only 16 going on forever
Take it Easy Tiger
Don't call collect
Can't break it open
Easy Tiger
Only 16 going on forever
Easy Tiger
You're only 16 going on forever

No rain, clear skies
At least I got the weather
Bought in, sold out
Finger up to heaven

Cause I still see your face
Getting lost in the crowd
And I still hear the sound
Of the pack when they howl

And it goes on

Don't call collect
Can't break it open
Easy Tiger
You're only 16 going on Forever
Take it Easy Tiger
Don't call collect
Can't break it open
Easy Tiger
Only 16 going on Forever
Easy Tiger
You're only 16 going on Forever

Gasping for air I'm chokin'
Running with no sign of slowin'
Till my legs are broken
Easy Tiger
Gasping for air I'm chokin'
Running with no sign of slowin'

Don't call collect
Can't break it open

Easy Tiger
You're only 16 going on Forever
Take it Easy Tiger
Easy Tiger
You're only 16 going on Forever
