

## People Say

Portugal. The Man

Save me, I can't be saved  
I won't  
I'm a president's son  
I don't need no soul

All the soldiers say  
"It'll be alright,  
we may make it through the war  
if we make it through the night."  
All the people, they say:  
"What a lovely day, yeah, we won the war.  
May have lost a million men, but we've got a million more."  
All the people, they say.

Share with me all of your pain  
I won't  
Share your love  
I need all your love
