

Seven Churches

Possessed

Seven churches down in hell
In the land where Satan fell
Vows of Satan's sacred scripts
Bring out the evil from its crypts

Seven churches
Seven priests
Seven hearts on which they feast

Watch the gods take revenge
Rot in hell for your sins
Sacrifice, to the sky
Terror strikes, you will die

Taste the blood of the dead
As the sky turns to red
Rot in heaven, rot in hell
Reach for the land from which he fell

Seven bibles
Seven crosses
Seven saints mourn for their losses

Watch the gods take revenge
Rot in hell for your sins
Sacrifice, to the sky
Terror strikes, you will die

Holy water turned to blood
Destroy the earth devil's flood
Pounding death from my hands
Spreading Satan through the lands

Seven prayers
Seven bells
Seven churches rise from hell

Watch the gods take revenge
Rot in hell for your sins
Sacrifice, to the sky
Terror strikes, you will die
