The Exorcist

Possessed

Possessed by evil hell Satan's wrath will kill He will take your soul Cast you to hell

Demons dog domain Keeping me insane Evil curse my soul Burning away

Satan's hell will burn Terrored cries are heard Everlasting eternity Warriors of hell

Unleashed men of sin Hatred hell within Sinners hate will die The Exorcist

I can see the light
I don't want to burn
Help me save my soul
Let me live

Your curse is not my fear Demons within me hear I will escape your wrath 666

This is not my way, Doom, sorrow for eternity Lights shine below in hell Forever burning

Words of insanity Scream out the final plea Evil voices scream out Help me!

Demons in my body gone Sicken thoughts left beyond Haunted by evil memories Nightmares and sin

My mind is burnt and black Shadowed, no way back Fear of living in hell Axed my mind

Memories held within
Satan's gone in sin
Grasping to relieve the pain
Scarred for life

Exorcism takes control
Beneath my body help my soul

Save my soul from evil hell Your spell is lost
