

The Heretic

Possessed

It is thy heritage
To pule the world
Sent to defile
From Belial

Revelation
Unorthodox
Atheists
Is so mystics
Fall to the abyss of hell
Only the weak will not rebel
The prophesies that i we tell
Will make you give your soul to sell

Tie the knots
With Satan's twine
Necromancy will define

To be immortal
Desires of sin
You secretly
Hold within

Rule the world with cin iron fist
Heaven above will non-exist

So foolish your exorcist
So don't deny your heritage
