

# Up There

Post Malone

When I took a ride in the dead of night, told myself that every  
thing was okay  
Try to understand how you standin' over me, girl it's drivin' m  
e crazy  
Yeah, it's freezin' fuckin' cold in the dead of night, the only  
heat is comin' from the ashtray  
I might as well get high as hell and just keep actin' like ever  
ything doesn't phase me

Yeah, take me all the way to the top baby  
Don't even if I tell you to stop baby  
Take me all the way to the sky baby, baby

I wanna go up there and I don't ever wanna come down  
I wanna see what's up there, actin' like I got it all figured o  
ut  
I wanna go up there and I don't ever wanna come down  
I wanna see what's up there, must be better than the hell on th  
e ground

It's freezin' fuckin' cold in the dead of night and I'ma drop t  
he top with no [?] skrrt, skrrt, skrrt  
And now my sound is realer, vamp it out, before the stop my chi  
ps never did fall in, backwoods  
And I ain't religious but I look into the sky and I pray to any  
one holy  
I been drinkin' way too much and man I go the blues 'cause man,  
my baby don't hold me

Yeah, take me all the way to the top baby  
Don't even if I tell you to stop baby  
Take me all the way to the sky baby, baby

I wanna go up there and I don't ever wanna come down  
I wanna see what's up there, actin' like I got it all figured o  
ut  
I wanna go up there and I don't ever wanna come down  
I wanna see what's up there, must be better than the hell on th  
e ground  
I wanna go up there and I don't ever wanna come down  
I wanna see what's up there, actin' like I got it all figured o  
ut  
I wanna go up there and I don't ever wanna come down  
I wanna see what's up there, must be better than the hell on th  
e ground
