When I took a ride in the dead of night, told myself that every thing was okay

Try to understand how you standin' over me, girl it's drivin' m e crazy

Yeah, it's freezin' fuckin' cold in the dead of night, the only heat is comin' from the ashtray

I might as well get high as hell and just keep actin' like ever ything doesn't phase me

Yeah, take me all the way to the top baby Don't even if I tell you to stop baby Take me all the way to the sky baby, baby

I wanna go up there and I don't ever wanna come down

I wanna see what's up there, actin' like I got it all figured o ut

I wanna go up there and I don't ever wanna come down

I wanna see what's up there, must be better than the hell on the ground

It's freezin' fuckin' cold in the dead of night and I'ma drop t he top with no [?] skrrt, skrrt

And now my sound is realer, vamp it out, before the stop my chi ps never did fall in, backwoods

And I ain't religious but I look into the sky and I pray to any one holy

I been drinkin' way too much and man I go the blues 'cause man, my baby don't hold me

Yeah, take me all the way to the top baby Don't even if I tell you to stop baby Take me all the way to the sky baby, baby

I wanna go up there and I don't ever wanna come down

I wanna see what's up there, actin' like I got it all figured o ut

I wanna go up there and I don't ever wanna come down

I wanna see what's up there, must be better than the hell on the ground

I wanna go up there and I don't ever wanna come down

I wanna see what's up there, actin' like I got it all figured o ut

I wanna go up there and I don't ever wanna come down

I wanna see what's up there, must be better than the hell on the ground
