

Indian Song

Pothead

Across The Sea, Strange Men Came
to A New Land, Forever Changed The Place
warrior, Called Indian
couldn't Stop What Had Begun
hit The Warrior

red Man, Oh That Warrior Is A Dead Man

to A New Land Came The Tide
on The Place Was A Thousand Tribes
indian And The Buffalo
under Telegram Lines Straight To The Alamo
for The Warrior

red Man, Oh That Warrior Is A Dead Man

proud Warrior Is A Dead Man
oh That Warrior, Red Man
once Proud Warrior, You're A Dead Man
