

Never Want It Like That

Pothead

Who You Say You Want A Visit To
well You Thought That Place Was Over Now
but It Never Just Seems So Far From You
everything That You Smell, Everything That You Taste
junkies Wanna Take, Every Junkie Wanna Take...

when You Started You Could Never See How It Could Be
but Now It's For Real
you Never Waited For The Moment Now No One Will Forgive
that's The Way That You Feel
you Never Hang It That Bad, Just Hangin' Cigarette Ash
but Now You're Caught Between,
it Seems So Hard To Be, It's Just So Hard To See
it's Just So Hard To Be, It's Just A Hard Way To Be

you Can Talk Of What Should Have Been
all Decisions Based On Need And Greed
oh My God I Wish They Would Legalize
just To Take Away The Pain From Every Single Day
every Junkie Wanna Take, Junkies Wanna Take...
junkies Want A Take, Take Me

every Junkie Wanna Take, Junkies Wanna Take...

well You Never Gonna Give It Up
with Your Black Past Hiding Far Away
no One Ever Wanted To Just Hear About
the Bad Things You Do And The Bad Things We Say
every Junkie Wanna Take, Junkies Wanna Take...
