Power Of Dreams

You're so good and I'm so bad
You've got everything I've never had
You're so black and I'm so white
You're so wrong and I'm so right

You're so beautiful I'm so plain
You're so strong it drives me insane
And they've got everything I've never had
But I don't want it if you can't be bad

Do you love him
Like you used to
Do you love him
No

She's so young and he's much older
He's got money enough to hold her
You're so warm but I'm much colder
He's so guilty he should have told her

You're so beautiful I'm so plain
I'd love to hate you but I don't know your name
And we've got everything they've never had
She's so pretty but looks so sad

Do you love her
Like you used to
Do you love her
No

You're so beautiful I'm so plain
You're so weak and I'm so vain
And we've got everything they've never had
She's so pretty but looks so sad
You're so beautiful

Do you love him
Like you used to
Do you love him
Beautiful
