

Yeah. Thanks a lot. Check it out, check it out: the name of the band is called Powerman 5000, right? If there's anything left, we got free shit to give away back in the t-shirt thing, so between bands, go get your free shit, right? Two more things. One : we got a record coming out in Febuary, Febuary 11th, so check it out. Please look out for it and buy it. Much appreciated. Secondly, shut the fuck up.
