

Do Your Thing

Powerman 5000

Hey all you people
All you slobs
All you killers
All you dogs
All you rats
All you punks

Hey all you devils
All you worms
All you liars
All you germs
All you trash
All you drunks

Just do your thing
Just do your thing (yeah)
Just do your thing (right right)
Just do your thing

Hey all you creepers
All you bores
All you suckers
All you whores
All you scabs
All you runts

It's time to turn it on again
Here comes a life that never ends
And when they tell that you suck

Just do your thing
Just do your thing (yeah)
Just do your thing (right right)
Just do your thing

Don't lose your mind,
It's ok to be out of line
Don't lose your way cause this is your day to
Rise up, rise up
Rise up, rise up
Rise up, rise up
Rise up, rise up
Just do your thing (right right)

Just do your thing
Just do your thing
Just do your thing (right right)
Just do your thing

Don't lose your mind,
It's ok to be out of line
Don't lose your way cause this is your day to
Rise up, rise up
Rise up, rise up
Rise up, rise up
Rise up, rise up
(Rise up)

Hey all you people
All you slobs
All you killers
All you dogs
All you rats
All you punks

Hey all you devils
All you worms
All you liars
All you germs
All you trash
All you drunks
(Rise up)

Don't lose your mind,
It's ok to be out of line
Rise up, rise up

Hey all you devils
All you worms
All you liars
All you germs
All you trash
All you drunks

Just do your thing
Just do your thing (yeah)
Just do your thing (right right)
Just do your thing
