

# Megatronic

Powerman 5000

Don't you know  
What I've got you always got  
Can see right through you  
Through the lies and through the trouble  
Tricks and check what you are doing  
When you're crying in the corner over there you seem pathetic  
Yeah now drop this mega bombshell  
Cause believe you won't forget it

Don't you know  
I am  
The Megatronic  
Don't you know  
I am the one

Don't you know  
I am  
The Megatronic  
Don't you know  
I am the one

Don't you know  
How I stand up  
You're brainless, if you've got one  
Wasting it they're here to take us  
Now I'm louder than a shotgun  
Load it down and don't give up  
And put some plastic, steel, and wire  
When I rock, I rock the planets  
Maybe later I'll retire

Don't you know  
I am  
The Megatronic  
Don't you know  
I am the one

Don't you know  
I am  
The Megatronic  
Don't you know  
I am the one

Let it go and let it fly  
And let it bust into the new world  
Let it live or let it die  
A message sent it was so wacky  
Almost gone and almost gone  
And if it's gone it's gone forever  
And they're trooping with their training  
Because no one does it better

Don't you know  
I am  
The Megatronic  
Don't you know  
I am the one

Don't you know  
I am  
The Megatronic  
Don't you know  
I am the one (one, one, one)

Don't you know  
I am  
The Megatronic  
Don't you know  
I am the one

Don't you know  
I am  
The Megatronic  
Don't you know  
I am the one (one, one, one)
