

# Wake Up

Powerman 5000

Wake up! Wake up! Wake up! Wake up!

Right  
Wake up  
It's time to go  
You better leave now  
Wake up

Wake up  
It's time to go  
You better leave now  
Wake up

Take off and go to somewhere else  
I'd like to see what would happen to you  
Transfix the clock  
The past cannot talk  
To tell you that this is deadly

One year older  
One year meaner  
One year uglier  
One more reason  
One more riot  
One more left to go!

Wake up  
It's time to go  
You better leave now  
Wake up

Wake up  
It's time to go  
You better leave now  
Wake up

Wake up  
It's time to go  
You better leave now  
Wake up

Wake up  
It's time to go  
You better leave now  
Wake up

We all came here to witness this  
To watch you fall and see nothing new  
But I've got some news and this war is on  
Destined to take it all

One year older  
One year meaner  
One year uglier  
One more reason  
One more riot  
One more left to go!

Go!

Don't be afraid of the future  
It doesn't include you, it only removes you  
Don't be afraid of the future  
It doesn't include you, it only removes you

Wake up  
It's time to go  
You better leave now  
Wake up

Wake up  
It's time to go  
You better leave now  
Wake up

Wake up  
It's time to go  
You better leave now  
Wake up

Wake up  
It's time to go  
You better leave now  
Wake up
