

## Watch the Sky for Me

Powerman 5000

watch the sky for me  
watch the night  
i'll be there for you  
in starlight  
as you feet touch the ground  
i'll be floating along

watch the sky for me

tonight

just as every moment leads you to the past  
just as everything has gone  
i'm the one you need  
to know that there is someone else  
just as this is now

goodbye
