Powerwolf

In the Name of God
In the Name of God
In the Name of God we go to heaven

In the Name of God
In the Name of God
In the Name of God we go to heaven

Martyrs in the name of god
We are knights in war and fire
Raise your sword for holy blood
We burn them on the pyre

To defend, to commend, to the holy war
Mater Maria
To the end we will stand, we are fighting for
Deus in reginum!

In the Name of God
In the Name of God
In the Name of God we go to heaven

In the Name of God
In the Name of God
In the Name of God we go to heaven

Brothers in belive and sword
Through nights of blood and thunder
Strike for glory and reward
We came to kill and plunder

To your fate, your crusade to the holy war
Mater Maria
To the end we will stand, we are fighting for
Deus in regnium!
