

# Lupus Dei

Powerwolf

Cantus lupus  
Satura luna  
Corpus nudus domina

Agnus totus  
Animus mortuus  
Ave deus sinistra

Cultus lupus  
Opus damnatus  
Metus mortis nocturna

Terra sanguis  
Padre occultus  
Sanctus pupus anima

Dark is the day  
God of the grey  
Born to obey  
All they will say  
Mine is the way  
Fall down and pray

Hey, hey, wolves don't pray!

Symbols of pain  
Out in the rain  
Sent to remain  
The harvest of the grain  
Mine is the blame  
The curse of the sane

Hey, hey, wolves don't pray!

Ahh - Lupus dei
