

Lust for Blood

Powerwolf

Bring me pandemonium Speak the word of God All we need in life
is flesh and blood Bring me sanctimonium Armageddon flood All w
e care is how to get more blood

Stand up So latisaro Stand up E saro naio Stand up So latisaro

Lust for blood Inside us Blood Unite us Call forever lust for b
lood

We don't need no pentagram We don't pray to God All we need in
life is human blood Man we die for what we have done Or go down
in flood All we lust and hunger for is blood All we need is lu
st for blood All we need is lust

Stand up E saro naio Stand up So latisaro

Lust for blood Inside us Blood Unite us Call forever lust for b
lood
