Raise Your Fist, Evangelist

Powerwolf

We wait for the call to break down the wall and fight for the e nd of days We conquer the land with the bible in hand The glory of war and praise Are you praying for the final grace? With power and pride, and god on our side we follow the holy wa У Stand and scream for all the world today Raise your fist, evangelist! Raise your fist, evangelist! Ave mater dolorosa Eos crucem lacrimosa Ave mater dolorosa Eos crucem lacrimosa Get down the roar we march into war We strike down the enemy In triumph of Christ no pagan survives To hell if you don't believe We raise in the name of god
