I can't stop thinking about you baby-babe Sometimes I think I'm really goin' crazy 'cause whenever I see you it's amazing My heart starts beatin' and racin' What can I say to you?

Do you feel the same way too?

I'd do anything for you

To make you see that my love is so true So true?

Well, well, well
I Tattoo- Tattoo you
In my heart and my mind and my soul now
I Tattoo- Tattoo you
?cause nothing can compare to you
I Tattoo- Tattoo you
Just to prove that I?ll always love you
I Tattoo- Tattoo you
?cause nothing can compare to you

You?re the kind of man I always dream about
It makes me wanna scream and shout out really loud
When you talk I hang on every word you say
When you move you?re like the breeze on a summer day
You?re irresistible, and so incredible
You?re irreplaceable, I?ll make you see that my love is so true

Well, well, well
I Tattoo- Tattoo you
In my heart and my mind and my soul now
I Tattoo- Tattoo you
'cause nothing can compare to you
I Tattoo- Tattoo you
Just to prove that I'll always love you
I Tattoo- Tattoo you
'cause nothing can compare to you

I can't go on
without you by my side
I'm not that strong,
I need you in my live
Don't leave my in the cold,
I can't take it anymore, anymore

I Tattoo- Tattoo you
In my heart and my mind and my soul now
I Tattoo- Tattoo you
'cause nothing can compare to you
I Tattoo- Tattoo you
Just to prove that I'll always love you
I Tattoo- Tattoo you
'cause nothing can compare to you

I Tattoo- Tattoo you
In my heart and my mind and my soul now
I Tattoo- Tattoo you
'cause nothing can compare to you

I Tattoo- Tattoo you
Just to prove that I'll always love you
I Tattoo- Tattoo you
'cause nothing can compare to you
