

# Losing My Religion

## Preluders

(Ooh)  
Losing my religion  
(Ooh)  
Oh Life is bigger  
It's bigger than you  
And you are not me  
The lengths that I will go to  
The distance in your eyes  
Oh no I've said too much  
I set it up

That's me in the corner (ooh...)  
That's me in the spotlight  
Losing my religion  
Trying to keep up with you  
And I don't know if I can do it  
Oh no I've said too much  
I haven't said enough

I thought that I heard you laughing (ooh)  
I thought that I heard you sing (ooh)  
I think I thought I saw you try (ooh)

Every whisper (whisper)  
Of every waking hour  
I'm choosing my confessions (confessions)  
Trying to keep an eye on you  
Like a hurt, lost and blinded fool, fool  
Oh no I've said too much (much)  
I set it up

Consider this, consider this  
The hint of the century  
Consider this, this slip  
that brought me to my knees, failed  
What if all these fantasies come  
flailing around  
Now I've said too much

I thought that I heard you laughing (oh oh oh)  
I thought that I heard you sing (oh oh oh)  
I think I thought I saw you try

(Losing my religion)  
That was just a dream  
That was just a dream

That's me in the corner (ooh...)  
(That's me in the corner)  
That's me in the spotlight  
Losing my religion (my religion)  
Trying to keep up with you  
And I don't know if I can do it  
Oh no I've said too much (much)  
I haven't said enough

I thought that I heard you laughing (oh oh oh)

I thought that I heard you sing (oh oh oh)  
I think I thought I saw you try (try)

(ooh...)  
But that was just a dream (Losing my religion)  
That was just a dream (Losing my religion)  
And I try, try, try, try, try  
try, try, try
