Sundown

Friday, twilight in the big town
party people getting ready now
somewhere baby
i know you're waiting
city's vibrating

The city's in a heatwave
praying for a sunshade
hoping that the evening
will chill down the streets
and i'm a little hot too
cause i can only think of you
hoping that tonight you'll
find out what i like

sundown

friday, twilight in the big town
party people getting ready now
somewhere baby
i know you're waiting
the city's vibrating
sundown
air gets cooler but my heart pounds loud and fast
i'm getting ready now
somewhere baby
i know you're waiting
the city's vibrating

i don't know if you've seen me
don't know if you are dreaming
hoping for someone who can show you who you are
tonight i'm gonna find you
fly in on a breeze and blind you
take you from this clubland and send us to the stars
