

Baby's Breath

The Pretenders

There was a time you thought
I was in love with you
Well think again,
You can't read my thought
You're so pretty,
I'd like to break your smile in two
You're so correct,
I'd like to disconnect the dots
You're such a child,
But you're not innocent
Another kid for rent

Why do you send me roses?
Save them for someone's death
The love you have to offer
Is only baby's breath

There was a time I thought
You were magnificent
But you've got nothing to have or to hold
You're so pensive
But your thoughts are insignificant
Wrap 'em up another twenty billion sold
You think you're wild and you know
What danger means
In your designer jeans

Why do you send me roses?
Save them for someone's death
The love you have to offer
Is only baby's breath

I'd like to have you alone tonight
And rearrange your mind
I'd like to have you
But I know I'd be wasting my time

Why do you send me roses?
Save them for someone's death
The love you have to offer
Is only baby's breath

Why do you send me roses?
Save them for someone's death
The love you have to offer
Is only baby's breath
