

Cuban Slide

The Pretenders

Remember the nights i cried
you were doing that old cuban slide
All night I tried and tried
I could not master the cuban side.

R'member the night I started to weep?
under lights you did the 'creep'.
That night I could not sleep.
Oh lord how goes the creep?

AIy YI AIy Ya- I wanna dance but my feet won't let me
AIy YI YI AIy- I wanna dance would someone help me
AIy YI YI Ya- I wanna dance but my feet won't let me
AIy AIy Ya-

Last night I could not talk

On the street you did the Charing Cross walk
Up and down I swoop and stalk.
Only I can run, but I can't walk

Remember the nights i cried
you were doing that old cuban slide
All night I tried and tried
I could not master the cuban side.

AIy YI AIy Ya- I wanna dance but my feet won't let me
AIy YI YI AIy- I wanna dance would someone help me
AIy YI YI Ya- I wanna dance but my feet won't let me
AIy AIy Ya-

Now Dance!
