

## Cuban Slide

### The Pretenders

Remember the nights i cried  
you were doing that old cuban slide  
All night I tried and tried  
I could not master the cuban side.

R'member the night I started to weep?  
under lights you did the 'creep'.  
That night I could not sleep.  
Oh lord how goes the creep?

AIy YI AIy Ya- I wanna dance but my feet won't let me  
AIy YI YI AIy- I wanna dance would someone help me  
AIy YI YI Ya- I wanna dance but my feet won't let me  
AIy AIy Ya-

Last night I could not talk

On the street you did the Charing Cross walk  
Up and down I swoop and stalk.  
Only I can run, but I can't walk

Remember the nights i cried  
you were doing that old cuban slide  
All night I tried and tried  
I could not master the cuban side.

AIy YI AIy Ya- I wanna dance but my feet won't let me  
AIy YI YI AIy- I wanna dance would someone help me  
AIy YI YI Ya- I wanna dance but my feet won't let me  
AIy AIy Ya-

Now Dance!
