

# I'll Stand by You

The Pretenders

1. Oh, why look so sad  
Tears are in your eyes  
Come on and come to me now  
Don't be ashamed to cry  
Let me see you through  
Cause i've seen the darkside too

B: When the night falls on you  
Don't know what to do  
Nothing you confess  
Can make me love you less

R: I'll stand by you, I'll stand by you  
Won't let nobody hurt you  
I'll stand by you

2. So if you're mad get mad  
Don't hold it all inside  
Come on and talk to me now  
Hey what you got to hide  
I get angry too  
Well I'm alive like you

B: When you're standing at the crossroads  
Don't know which path to choose  
Let me come along  
Cause even if you're wrong

And when when the night falls on you baby  
You're feeling all alone  
Won't on your own
