

Nothing Breaks Like a Heart

The Pretenders

You don't love me anymore
I can feel it
But I want you more than before
So I conceal it
Walk on, walk on baby
Don't look back
This happy face is just a disguise
Oh baby
When love dies

Nothing breaks like a heart
Nothing breaks like a heart
Glass shatters, even cars fall apart
Nothing breaks like a heart

When you walked out
At first I celebrated
But this footloose, fancy free stuff's overrated

Oh I got my way
Now I'm free to roam
These tears of laughter are just lies
Oh baby
When love dies

Nothing breaks like a heart
Nothing breaks like a heart
Glass shatters, even cars fall apart
Nothing breaks like a heart

Oh, oh, oh
I feel so bad bad bad
Oh, oh oh
I'm so sad sad sad
I wasn't this shook in the L.A. earthquake
How much can one heart break?

You don't love me anymore
I can feel it
But I want you more than before
So I conceal it
Walk on, walk on baby
Don't look back
This crumbling heart is no surprise

Oh baby, when love dies
Nothing breaks like a heart
Nothing breaks like a heart
Glass shatters, even cars fall apart
Nothing breaks like a heart
Oh, nothing breaks like a heart
Oh, nothing breaks like a heart
Oh, nothing breaks like a heart
