

# Candle In The Dark

Pretty Boy Floyd

Are you lonely?  
Does the night wicked touch in inside your soul?  
Is your heart an empty hole?  
Are you crying?  
Did you lose your faith in me when I let go?  
well it's time to chose be numb.  
For all of your love  
I'll get down on my knees  
(oh tell me)  
how much is enough?  
cause I'm begging you please  
I'll tell you over  
and over and over and over

shine the light, light the light,  
give me a sign its gonna be alright,  
now I'll be your candle in the dark.  
Baby if you want me bad; take me bad,  
keep the light burning in your midnight lamp.  
I'll find a way to your heart like a candle in the dark.  
Oh yeah.

I was restless  
forever searching until  
you walked into my life.  
now i know it happens life.  
And I never be free  
when my hearts still in chains.  
I'm lost in the cold,  
you're gonna bring back the flame.  
I'll tell you over  
and over and over and over

shine the light, light the light,  
give me a sign its gonna be alright,  
now I'll be your candle in the dark.  
Baby if you want me bad; take me bad,  
keep the light burning in your midnight lamp.  
I'll find a way to your heart like a candle in the dark.

I'll light your memory;  
set your heart upon the waves.  
I need you back again.

For all of your love  
I'll get down on my knees  
(oh tell me)  
how much is enough  
cause I'm begging you please  
I'll tell you over  
and over and over and over

shine the light, light the light,  
give me a sign its gonna be alright,  
now I'll be your candle in the dark.  
Baby if you want me bad; take me bad,  
keep the light burning in your midnight lamp.

I'll find a way to your heart like a candle in the dark.

shine the light, light the light,  
give me a sign its gonna be alright,  
I'll be your candle in the dark.  
Baby if you want me bad; take me bad,

I'll find a way to your heart like a candle in the dark  
like a candle in the dark, like a candle in the dark.
