

Set The Night On Fire

Pretty Boy Floyd

ou say you wanna set the night on fire
but there's just one thing
that you need to take you higher
1-2-3 let's go! Rock 'n' Roll....

It's Friday night we're gonna hit the lights
It's you and me, we're gonna Rock 'n' Roll, All night!
It's Saturday, and there's just no way we're gonna sit home
alone, well oh no.

let me take you one step higher!
Rock 'n' Roll is gonna set the night on fire. x2
Yeah.

We're the burning flames, too wild to tame,
yeah, yeah, yeah, we're gonna shock the world. All right.
In Hollywood, wake up the neighborhood,
all the boys and girls, they're gonna scream and shout, hey!

Let me take you one step higher!
Rock 'n' Roll is gonna set the night on fire.

Let me take you one step higher!
Rock 'n' Roll is gonna set the night on fire.

We're the baddest boys, making noise,
break the chains, what do you say, Rock 'n' Roll....
